Cristina Mershon : Exquisite Crochet Shawls before purchasing it in order to gage whether or not it would be worth my time, and all praised Exquisite Crochet Shawls:

0 of 0 people found the following review helpful. Pretty to Look AtBy rose thymeHave not made any of the projects in this leaflet, and not sure when I will ever get around to that. The projects are pretty to look at, though, so maybe someday.0 of 0 people found the following review helpful. Very nice!By Mary AnnSome unique and pretty things here! Glad I got this.0 of 0 people found the following review helpful. Some of the most beautiful shawl patterns out there!By LaurenThis is a wonderful pattern book. All of the shawls are absolutely beautiful! I gave 4 stars instead of 5 only because one of the shawls that I made from this book had some awkward instructions. The diagrams did not match the instructions as far as the number of motifs needed for the shawl.

Versatile, timeless, and exquisite describe the five beautiful shawls in this project book. Made using size-three thread,

the Celtic Nature Shawl has round motifs worked seamlessly together, giving the impression of lacy detail work yet its easy to make. The Alborada Shawl uses a fine-weight cotton yarn and is made of pineapple shapes that create a sophisticated lace effect. Random placement of different motifs make for a beautiful edge for the Art Deco inspired shawl that uses a DK-weight yarn. The Galician Sea Shawl is sea shell and ocean inspired. Worked from the top down and using a lightweight yarn, two separate sections are pieced together at a center spine and finished with a beautiful edging. The Voloreta Stole, using a ripple stitch and superfine-weight mohair yarn, is an exquisite soft and airy stole. Big enough to wear around the shoulders and cozy enough to wear as a winter scarf, it is trimmed with unique crocheted balls that dangle. For those with beginner and intermediate skills, these shawls will add that extra touch to the most basic wardrobe.
