We are not all 5'7" and we don't all have perfect proportions (at least not what the design industry thinks of as perfect). This book uses humoress, down-to-earth discussions along with detailed pictures and clear helpful illustrations to help correct the patterns to fit the body. The beginning of the book seems rather drawn out in

explaining why your clothes don't fit just right. But READ EVERY WORD and follow the instructions for measuring and creating your croquis. Then hang on as you whirl through all the different body challenges and how to modify your pattern so that it will fit and hang perfectly. This is not a "one night" read, but it should become the most important book in your sewing library. sewing, tailoring, alterations, reference, instruction 0 of 0 people found the following review helpful. Five Stars By CareGreat book for people who sew. 0 of 0 people found the following review helpful. Great!!! By Margma Excellent book condition, excellent explanations and solutions, very easy to understand.

Fantastic Fit for Every Body Nationally known fit expert and educator Gale Griff Hazen shows you a no-fail way to evaluate your unique body shape, how to choose styles and fabrics that will look best on you, and how to alter patterns to fit your individual and three-dimensional body. Her students have found consistent success using her fit process, and now, in *Fantastic Fit for Every Body*, Gale shares that process with sewers everywhere. You will see real people with real fitting challenges. Gale Grigg Hazen helps each sewer analyze her body and manipulate her patterns to create garments that not only fit but also flatter her figure. Gale Grigg Hazen shows you how to create garments that not only fit but also complement your individual body--no matter what your shape. *Fantastic Fit for Every Body* is a celebration of women who create garments that they love to wear. Share that spirit and begin to create garments that you will wear and love! Team up with a friend to begin creating your perfect-fitting wardrobe.

Finally someone has written an in-depth fit book that is reader-friendly and reality-based with excellent photos of real people. If you read it from cover to cover, you will understand not only the concept of fit but also why you have experienced frustrations in the past. Sandra Betzina, host of television's "Sew Perfect" and author of *No Time to Sew*, *Power Sewing*, and *More Power Sewing* At last, *Fantastic Fit for Every Body* reveals that fitting is every bit as creative, fun, and satisfying as sitting down at the sewing machine and sewing. This book is crammed with fitting solutions--many I've never seen in print--and each one has been tested on a real person. *Fantastic Fit for Every Body* not only makes fitting fun but also is full of ideas and inspiration.
