Hannah Scheidig : Fascinators: 25 Stylish Accessories to Top Off Your Look before purchasing it in order to gage whether or not it would be worth my time, and all praised Fascinators: 25 Stylish Accessories to Top Off Your Look:

2 of 2 people found the following review helpful. It looks like so much funBy *bfboucanier*What a great book! I have been looking for something just like this, and I'm so happy I bought it. I'm planning a wedding this year and while there are so many things I would be happy to buy and/or order (like dresses for the bridesmaids, etc) I really wanted to do something like this with the bridesmaids, and I know that when we make these together (and it doesn't look all that hard to make your own fascinator) we will treasure these for the rest of our lives. Can't wait to begin making them!0 of 0 people found the following review helpful. Beautiful BookBy *pfs*Book has many beautiful hats and the instructions are very clear for a beginner like me. Can't wait to make my first hat.0 of 0 people found the following review helpful. Nice bookBy *Pinupgirl*Nice book but not what I was looking for. Good directions and photos but most of it I have already tried.

A fascinator is a chic little adornment, not quite a traditional hat but more than a headband, that suits any occasion and any time of day. Style mavens in England are credited with setting off an international fascination with fascinators; this smashing headwear now appears everywhere, donning the heads of celebrities and A-listers on the red carpet to

today's fashionable brides, who are tossing aside their traditional veils for fascinators bedazzled with crystals and feathers. This is the first craft book of its kind with how-tos for fascinators, floral crowns, tiaras, and more: 25 in all, plus variations on each project there are even sweet projects suitable for little girls. Fascinators range from dressy professional to black-tie elegant.

About the Author Hannah Scheidig is the founder and creative director of arabellabridal.com and madebycraftparties.com. Her bridal millinery business has been featured in *Vogue UK*, *The Scottish Wedding Directory*, *The Best Scottish Weddings*, and others. She has taught hundreds of students the art of fascinator-making. She lives in Edinburgh, Scotland.
