What a treasure for people in their personal growth at their own pace one image at a time. These coloring books are not just for passing time they invite you to another dimension of coloring you might not have thought possible. Each person experiences these images differently as an energetic shift, a connection to a part of themselves, the kind that takes your breathe away and fills up your heart. Coloring the image, seeing it transform, rotating the paper to see it from many different angles evokes something beyond the ordinary experience of coloring. It is as if I have just experienced timelessness with an element of my own soul as I color. I cannot recall having ever had an experience of this kind from a coloring book. I actually made two of the images my

iPhones lock screen and background wallpaper. Every time I pick up my phone, the eyes are staring back at me. For a split second I experience a knowing with the image, even in the midst of scheduling my work. This series of books is a must have and will give you joy exponentially. 0 of 0 people found the following review helpful. Going Where You Have Never Gone Before By David Dressler What is there about Deborah's soul drawings that move one? To me it is the spirals, waves, and scintillating colors. Spirals and waves have always meant life energy to me, and I feel that energy pulsing in my own body. When I look at her drawings, it is in some way like looking into a mirror. But the one doing the looking is that energy inside me. And then I am on a journey into places unknown, holding her little card in my hand. How can this be? It is only colored lines on paper. Or is there something more here? Hold her card, look, open, and let yourself go.... 0 of 0 people found the following review helpful. I've had the good fortune of working with Deborah on a couple of occasions. Her images are expansive and incredibly inviting. These colouring books invite you on a journey, where you have the option to journal about insights that may surface for each image. Thank you, Deborah Koff-Chapin for this gift!

Fullness of Life: Soul Touch Coloring Journal is one in a series of uniquely soulful adult coloring books by Deborah Koff-Chapin, creator of the best selling SoulCards decks. Deborah has selected this collection of 38 images from thousands of inspirational Touch Drawings that she created in a range of meaningful settings. Fullness of Life focuses on human relatedness with the natural world, communion with life, the elements, trees, caring for the earth, deep ecology, and love of nature. The other SoulTouch coloring books evoke different positive, universal human attributes such as love, creativity, contemplative inwardness, and feminine spirituality. Together the series evokes a sense of balance and wholeness.
