Here is everything origami enthusiasts need to create charming folded-paper versions of a flock of familiar birds.

You'll find enclosed 24 sheets of the highest quality authentic origami paper (7 inch by 7 inch sheets, two each in 12 different colors). Also included is an expert guide by John Montroll with easy-to-follow instructions and clear diagrams to help you create fifteen different birds: swan, flamingo, duck, stork, goose, and others. The projects are graded according to difficulty. Whether you're a beginner at the ancient Japanese art of paper folding, or an experienced origamist, you'll find a model here to suit your skills. The completed birds make delightful party favors, unusual Christmas tree ornaments, or just attractive room accents. They're great conversation pieces, too!
