I bought 9 of them for painting onesies at a baby shower. So much more cost effective than other stencils I considered. Stencils are done on thick stock paper and there wasn't one design that was at all disappointing. Would buy time and time again. 3 of 3 people found the following review helpful. Stencils work great and are fun to use during the holidays By NWNative Stencils work great and are fun to use during the holidays. What I missed in the description was the size of the snowflake stencils. I thought the size would be like the vintage stencils I have that are slightly over 8.5 x 11 inches. I would recommend these when small stencils are wanted. 1 of 1 people found the following review helpful. All of these little stencil books

Of all of nature's wonders, snowflakes are among the most intriguing. Now anyone can create an enchanting winter wonderland simply by repeating these stencil outlines for 6 lacy snowflakes. Perfect for window decorations, greeting cards, posters, and more, these lovely designs will fascinate young and old alike.
