By lance12345I bought 'Fundamentals of Plant-pest Control' for ONE CENT on this web site, I need it for one of my Ag college courses, the only complaint I have is that my mail box was not big enough and instead of leaving me a card to pick it up at the post office like they normally do for larger items, the mail man was nice enough to jam it in the mail box ruining the edges of my book, so much for getting top dollar when I return the book. Thanks for the great service, without you I would have spent \$50-\$75 more at the campus book store!!!!!!
