Gamer One : Gamer Doodles: Dictionarts Year One (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gamer Doodles: Dictionarts Year One (Volume 1):

0 of 0 people found the following review helpful. Five StarsBy John-Thomas FosterShort but funny

Adverb - Dictionarts 1. An exploratory look at video game culture through the prism of minimalism and avant garde word styling. Each page was the product of thousands of seconds worth of tireless intense work by millions of electrons bursting 1s and 0s. The ultimate result is a precise razor-dull statement about the very nature of the modern

gamers psyche. This is a SINGULAR collection of doodles.
