10 of 10 people found the following review helpful. Mosaic IdeasBy K. HabetlerMany new and innovative ideas using

glass, tiles, broken dishes, and other items. There are numerous step-by-step directions. I am anxious to try a bowl for a fountain. 6 of 6 people found the following review helpful. Great book for a beginner like me By Mary Pierce I want to make them all but thought I will start with the house numbers and then try the birdbath. This is the perfect book for what I was looking for. Not only for myself but also as gifts. Very clear instructions and pictures are beautiful. 9 of 9 people found the following review helpful. Beautiful Project Book By P. Wright A beautiful book with lots of projects suitable for the beginner as well as the advanced crafts person. Beautiful color photos of all projects.

Adding mosaic can add life and interest to a garden path, transform a patio or cheer up dull, old walls. This project book includes all kinds of beautiful and achievable ideas, graded by difficulty, from urns and bird baths to number plaques, tables and larger-scale installations. The principles of mosaic making are easy to master and there is all the practical advice you will need on basic techniques and materials.

About the Author Helen Baird is a fine arts graduate who makes various styles of mosaics for numerous clients including Liberty in London, as well as selling work privately. She is also a successful freelance artist and illustrator.
