It has lovely advice on laying out a garden, choosing color combinations, and planting by season. It has helpful feng shui tips and great information on the meanings of different plants and how they can be used in magic and in the garden. It is exactly the book I was looking for!2 of 2 people found the following review helpful. Wonderful Garden Tool!!By Sharon HenryI love this book ~ it quickly became a key aspect of my gardening experience and library. I've always loved growing herbs, flowers, and veggies but this book helped me plan my gardens better and learn more about how to work with what I have. It's a go-to book all through the year!0 of 0 people found the following review helpful.
