Eldon J. Bailey : Pool Repair and Service Manual That Can Save You Hundreds of Dollars before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pool Repair and Service Manual That Can Save You Hundreds of Dollars:

0 of 0 people found the following review helpful. This book will give you a good overview of what has to be done, that's it... By John Murphy First of all I am new to swimming pools, Mr. Bailey covers what has to be done to keep the pool in working order, With his background this is a book that could be written in three weeks, A book of this type should have a word definition Index, it does not. If you want to save some money on routine maintenance U tube may be the way to go... This book will give you an overview in what has to be done and point you in that direction.. Thank you.... Jack Murphy, Florida

Before you spend top dollar on pool maintenance, check out the self-help guide *Pool Repair and Service Manual That Can Save You Hundreds of Dollars*. This do-it yourself guide shows you everything you need to know about swimming pool repairs, regular maintenance, and winterizing. Have you ever gotten frustrated with your pool when something breaks and you don't know what's wrong with it? You make a call to the pool company and then have to wait for a serviceman to diagnose and fix the problem. Next thing you know, two weeks have passed by before you can finally use your pool again. This book discusses all sorts of problems along with the solutions and detailed instructions, including images of equipment, parts, and diagrams. It will assist you in diagnosing and fixing the pool yourself. Everything you can imagine that may go wrong with your pool is in this easy-to-follow guide. The manual also aids in regular maintenance, and includes instructions on how to open your pool for the season and prepare it for the winter. A special troubleshooting section will help you figure out just what the problem may be. About the Author
First-time author Eldon J. Bailey is retired and lives in Ottawa, Canada. He wrote the book to share his knowledge with do-it-yourselfers who can't afford high maintenance and repair bills for their pools or just for people who enjoy fixing things themselves.
