Louana M. Lackey : Pottery of Acatlan: A Changing Mexican Tradition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pottery of Acatlan: A Changing Mexican Tradition:

1 of 1 people found the following review helpful. Pottery of Acatlan By Carolyn B. Knobler This is a very useful and informative book for collectors of pottery, especially of Mexican pottery from a place that is perhaps less well known than many of the other pottery areas. Pictures of some of the characteristic pieces are helpful in identification, because many items of Mexican pottery have no names or other marks of attribution on them and it may also be difficult or impossible to guess at a date of creation. 0 of 3 people found the following review helpful. I haven't read Lackey's book but need to quote her soon! By A Customer Does anyone know how I could locate Ms. Lackey? I'm a reporter and seek her comment for a story. On a deadline! Thanks much! Esten bien.
