Having visited Provence, the book is true to the area, and brought back fond memories. The quality of the paper was high, and though it was second hand, it was in very good condition.4 of 4 people found the following review helpful. Loving ProvenceBy Karen FreeLove everything Provence, this really fed my addiction! Continuing to look for more like it. Love seeing actual French homes.0 of 1 people found the following review helpful. Five StarsBy Gail A. DremelLove it!

Looks at Provencal decor, the private homes and gardens of artists and collectors, and Provencal traditions
