I saw at least 3 patterns in this nice little book that interested meBy Christine R.I have recently returned to knitting after years away, so I basically had to re-learn how to knit and to do every single stitch that might be needed. I saw at least 3 patterns in this nice little book that interested me. I was able to understand the pattern and they had a short but very good review section in it that gave me any information I needed (and had forgotten). The patterns are nice - they would need to be modified if you had a dog shaped differently than the dog for whom the pattern was developed - but I have knit 3 sweaters from this book and am happy with the results.0 of 0 people found the following review helpful. Five StarsBy TulipGreat!3 of 3 people found the following review helpful. Typeface problemBy Sandra M. SmithI think this book is in 6 point type and the type is pale against a colored page. A lighted magnifier will be required to read the directions unless you have very good vision. Since I am vision impaired, I will be unable to use this book. :(

Owners and their pets can show off with this collection of 12 fun and upbeat knitwear designs for the stylish dog about town. Cute everyday sweaters and ritzy special occasion designs even include a felted, waterproof sweater for drizzly days. As well as sweaters, there are hats for every occasion, such as the Holiday Spritz and the Puppy Fez. All are knitted in fine quality yarns that are soft, sumptuous, and never itchy. The book also showcases a range of accessories,

such as a collar and leash, felted toys, and a cozy doggie bed. A measuring chart for breeds of all sizes, knit-to-fit instructions, and a primer on basic stitches make this an all-in-one guide in a fun, portable format. Quick to knit and very functional, these are knits that any pooch would be happy to wear.
