Madlyn Easley : Quick and Easy Window Treatments: 15 Easy-Sew Projects that Build Skills, Too (Easy Singer Style) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Quick and Easy Window Treatments: 15 Easy-Sew Projects that Build Skills, Too (Easy Singer Style):

0 of 0 people found the following review helpful. Five Stars By Gram62 Informative!! 4 of 4 people found the following review helpful. Quick and Easy Window Treatments By Kindle Customer Excellent resource. I need ideas and a little help on how and what to do. I haven't sewn in ages, so this book is really handy. 0 of 0 people found the following review helpful. Good book, just not on my level as a novice. By Liza The book provides good information, and pictures that can inspire. However, not being at all a seamstress, I still felt intimidated by the process of making my own. Perhaps down the road it will be more applicable to what I am doing. Would recommend if you are not a complete novice.

An easy, get-started guide to creating your own curtains, drapes, and shades. Easy SINGER Style Quick and Easy

Window Treatments teaches readers how to create simple, stylish window treatments for every room in the house. The author provides her own shortcuts and secrets for saving time while achieving professional-quality results. The 15 projects include lined and unlined curtains and drapes; straight, balloon, and shaped valences; and Roman shades-in a variety of casual and elegant fabrics and styles suited to every type of room setting. This is the third book in the Easy SINGER Style series, designed for beginning and brand-new sewers who are looking for quick and easy projects with a fresh, contemporary style. As with the other books in the series, the early chapters present all the basic information the reader needs to get started. Later chapters introduce specific construction techniques-and a choice of several projects showcasing those techniques. Readers gradually build skills as they apply and master what they learn, building confidence as they go. This book features the same, step-by-step, accessible approach as the other books in the series, in keeping with Singer's reputation for reliable, practical instruction.

About the Author Madlyn Easley (Norwich, CT) has been professionally designing window treatments for twenty-five years. She and her company, Athena Trading Company, have created products for Country Curtains, Casual Curtains, Bed, Bath Beyond, Linens Things, Eddie Bauer, and others. Her work has been featured inside and on the covers of Spiegel, City Curtain, and many other home-furnishing catalogs.
