I wish there wasn't so much wasted pages, like a full page spread of just Rachel and her dog. Nothing personal, I just would rather see more ideas, rooms, not more pictures of Rachel. Good book.8 of 8 people found the following review helpful. done it once againBy KarenI love the shabby chic look and once again Rachel Ashwell has provided a beautiful book full of her ideas and pictures of her work. Lots of photos of her new B B in Texas. Fun to look at and dream. Hopefully will make it out there one day, stay at the B B and go to the Flea Market in Round Top, Texas.2 of 2 people found the following review helpful. Bought this book in spite of previous read reviews complaining ...By Ronald K RaderBought this book in spite of previous read reviews complaining about the book being an expensive advertising pamphlet for her new bed and breakfast and other complaints. I didn't find any of the complaints to be legitimate. She clearly continued to show her expertise and savvy style.

Rachel Ashwell Couture Prairie takes her signature pastels, ruffles, and whimsical prettiness right to the heart of cowboy country. This is a journey in pictures and words, following Rachel through the fields of a little town called Round Top, home to one of the largest, most eclectic and vibrant antiques and flea markets in the world, and then back to Rachels newly acquired bed-and-breakfast in Texas. Here Rachels inspired finds, her creative imagination, eye for detail, and her commitment to beauty, comfort, and function have finally come together in one location: The Prairie by Rachel Ashwellan irresistible destination. This book takes Rachel in a new direction, bringing her eye for cherished patinas and pastel prettiness into the endless landscapes and diverse architectural styles of Texas. Here you will see how her style adapts to corrugated metal sheeting and weathered timbers, and how it brings new life to elegant period mansions. Chapter by chapter, the book leads you through Rachels little houses on the prairie, from the Rangers Lounge where hearty breakfasts are served, to the Pearl Barn, scene of wedding parties and celebrations, stopping off at the evocatively named guest accommodation: Blue Bonnet Barn, Cornflower Cottage, Meadow Manor, Faith Cottage, and Liliput Lodge.
