**Russel Gehrke : Renewable Energies for Your Home: Real-World Solutions for Green Conversions (TAB Green Guru Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Renewable Energies for Your Home: Real-World Solutions for Green Conversions (TAB Green Guru Guides):

0 of 0 people found the following review helpful. Renewable energyBy CustomerEducational alternatives for renewable energy. This book is a guideline for clean, economical energy for your home.0 of 0 people found the following review helpful. Awesome bookBy Seth LeitmanWhat a great book. So much useful info. Of course Russ never disappoints.1 of 1 people found the following review helpful. Great source of infoBy TomSo much info and useful book. Real-world, as long as you have some training and tools more than just buying a book

Simple and Inexpensive Renewable Energy Solutions for Your Home It's not always easy being green, and sometimes it costs more than you'd expect to get an eco-friendly home improvement project up and running. *Renewable Energies for Your Home* gives you sustainable home energy solutions that won't drain your wallet or the power grid. Get details on generating heat with biomass fuels and other ways to use biodiesel and ethanol in your home. You'll discover how to harness affordable wind power and soak up free solar energy. Filled with step-by-step instructions and helpful photos and illustrations, this hands-on guide will help you reduce your carbon footprint and increase your cash flow at the same time! *Renewable Energies for Your Home* covers: Energy savings and environmental benefits

About the Author Russel Gehrke is an engineer, inventor, and consultant well known in alternative energy circles. He is a professional consultant and chief technical officer for Agrifuels, LLC and has been featured on the Discovery Channel and in several episodes of the syndicated television show *Cool Fuel Road-Trips*, his own pilot TV show, *Eco-Outlaws*, as well as the History Channels *Modern Marvels*. Russel has built hot rods for Willie Nelson and custom motorcycles for John Paul DeJoria, Meryl Haggard, and others. He is the inventor of *The Ethanol Reformer*, a patent-pending technology that processes ethanol in stationary engines in a much more efficient way.
