**StitchX Embroidery : Retro Coffee Time Hand Embroidery Patterns** before purchasing it in order to gage whether or not it would be worth my time, and all praised Retro Coffee Time Hand Embroidery Patterns:

Hand embroidery patterns of the 10 beautiful designs shown on the front cover of this book. They are all similarly themed so they can be mixed and matched to create amazing projects. Designs are beginner friendly and consist of straight stitches only. All you need to do is transfer to your fabric using your favorite method and start stitching! Our embroidery patterns are designed in the 'redwork' style, but feel free to use your creativity to explore other colors to match your project. Each design is provided in 4 sizes ranging from about 3 inches to approximately 7-8 inches. Use your imagination to create your own projects ranging from quilts to pillow covers to wall-hangings and more! Also

included are a few basic embroidery tips, but a basic embroidery knowledge is helpful.
