Royal Horticultural Society : RHS Wild in the Garden Diary 2017: Sharing the best in Gardening before purchasing it in order to gauge whether or not it would be worth my time, and all praised RHS Wild in the Garden Diary 2017: Sharing the best in Gardening:

The RHS Wild in the Garden Diary 2017 celebrates British wildlife. It is illustrated with photographs of birds, mammals, amphibians and insects that may be found in gardens, plus tips on how to manage your garden to enhance the wildlife potential and thereby add interest and enjoyment. Illustrated with full colour photographs this week-to-view diary includes an internal storage pocket and ribbon marker.

About the Author
The RHS Lindley Libraries hold several collections of drawings made by Asian artists, whether made for the export market to Europe, commissioned by British officials, or, in recent times, made by amateur and professional artists for exhibition and sale in the international market for botanical art. This diary contains examples from some of these collections.
