It has good information for problems that one might face in the garden. For example, I had a problem with basil and I did not understand what was happening. The information that I found in this book was exactly related to my problem. I enjoyed reading through the entire book even the sections that did not relate to anything I was currently doing.0 of 2 people found the following review helpful. Fabulous-Garden manualBy Patricia A. DakeJust looking briefly at this book I was very pleased with the type of information this book gives
