Yumiko Alexander : Rustic Modern Knits: 23 Sophisticated Designs before purchasing it in order to gage whether or not it would be worth my time, and all praised Rustic Modern Knits: 23 Sophisticated Designs:

12 of 12 people found the following review helpful. Knocked it out of the accessory park!By knitspinI just got this book today and it looks as nice as I thought it would. There are a few strange patterns that I am not sure why they exist but 80% of them are items I would make and wear. I would give this book more stars if possible. Please note that they are accessories like cowls, scarves, shawls/poncho, hats, and at least one vest. No sweaters or socks.1 of 1 people found the following review helpful. Beautiful Book, Beautiful DesignsBy quirkyurbangirlI love this designer! I saw the Japanese Lantern shawl on display at Tempe Yarn and Fiber and had to have that pattern. After Searching Ravelry I found that it is only in this book. I promptly went to the library and checked out the book, casted on Winter Rose and 3 days later went on and bought the book. Never in my life have I wanted to knit every project in a book until now. Yumiko's patterns are easy to read and follow. She offers amazing stitch descriptions. Her website contains even more project help. I just love her. She lives here in Arizona and I hope to meet her and have her sign my book at one of my

LYSs. This book is great for an advanced beginner and will interest an experienced knitter as well! 1 of 1 people found the following review helpful. Gorgeous By Kindle Customer I am familiar with Ms. Alexander's work, having knitted one of her designs. Her patterns are so unique. This book is gorgeous. The patterns are gorgeous and I can't wait to finish some other projects and then make the difficult decision of which pattern to put at the top of my list. I cannot comment on pattern instructions at this time, although I think they read easily.

FW Media-Interweave Press: Rustic Modern Knits. Rustic, organic, urban and natural describes this collection of unique accessories! Yumiko Alexander's collection of knitted accessories takes its inspiration from the natural world. Versatile knitting designs allow a shawl to become a scarf or a cape by making a few slight adjustments. This book contains twenty-three accessory projects. Author: Yumiko Alexander. Softcover; 127 pages. Published Year: 2014. ISBN 978-1-4402-4156-7. Made in USA.
