Editors of Family Handyman : UC Family Handyman Whole House Repair Guide: Over 300 Step-by-Step Repairs! before purchasing it in order to gauge whether or not it would be worth my time, and all praised UC Family Handyman Whole House Repair Guide: Over 300 Step-by-Step Repairs!:

0 of 0 people found the following review helpful. They provide so much great information and you just can't beat the price. By Davida Do yourself a favor especially if you are a woman: get your hands on as many do-it-yourself manuals whether it's Reader's Digest or Family Handyman books. They provide so much great information and you just can't beat the price! You can learn so much not only about how to do things yourself and save a lot of money, but you can see if the unscrupulous contractors are doing a good job when they come to your house to repair something. It's not

just a book, it's an investment! I guarantee you that you can find something that can be used immediately!The book was carefully packaged and arrived as advertised. I took a lot of notes and will follow-up on a lot of the items I jotted down.2 of 2 people found the following review helpful. Great book for the unskilled artisanBy Jolene KangasBook is decent if you are absolutely stupid on not knowing how to fix things. I bought this book because sometimes at the big box home improvement stores (especially the one that is marked orange) don't provide a lot of help. This book fortunately provided answers that I needed especially with roofing, gutters, plumbing and repairing a cracked asphalt driveway. I wish it had stuff like repairing fences but hey this book is helpful in everything related to the house.0 of 0 people found the following review helpful. Looking for a new home-must buy thisBy KatherineAnyone buying and already own a home should buy this book. So much I have learned from reading this book.

The Family Handyman's Whole House Repair Guide gives readers the know-how and confidence to tackle repair jobs, save money and avoid the hassles of service calls. We cover all of the most common repairs from floors to ceilings, from paint to plumbing. Indoors or out, large or small, this is the guide you need to do the job right. This book will walk you through all projects and also provide tips and tricks that will make the jobs simpler. The chapters include Walls Ceilings, Plumbing, Doors Windows, Floors and Floor Coverings, Furniture and Cabinets, Electrical, Exterior, Concrete Asphalt, Appliances and More easy Repairs.

About the AuthorThe Family Handyman is the #1 DIY home improvement magazine and the trusted how-to guide for nearly 5 million passionate amateur and pro consumers. Packed with projects, expert tips, new products and more, every issue celebrates the challenge, accomplishment and pride of a project well-done (or, sometimes, just done!) and gives consumers the inspiration and solutions they need to create the home of their dreams.
