Blanche Romick Pope : Upholstering home furniture before purchasing it in order to gage whether or not it would be worth my time, and all praised Upholstering home furniture:

This text contains a detailed guide on upholstering home furniture, including information on tools, materials, and technique. This text has been written with the hope that it will help home-makers and students, and that upholstering will be found relaxing, interesting, and profitable by its practitioners. Full of handy tips and detailed illustrations, this text is ideal for the beginner and makes for a great addition to collections of DIY literature. The chapters of this book include: 'First Lessons in Upholstery', 'Box Furniture Constructions and Upholstery', 'Edge Rolls and Pads', 'Springs and Spring Work', 'Occasional Chair Constructed and Upholstered', 'Reconditioning and Re-Upholstering', 'Simple Basic Furniture Plan and Variations', 'Slip-Covers and Protectors', 'Colour in the Home', and much more. We are proud to republishes this antique book now complete with a new introduction on the history of upholstery.
