## Vegetable in Your Vegetable Garden:

Are you looking for a new hobby? Are you considering investing some of your time and effort on something that can turn out productive and even healthy, while still maintaining the 'hobby-ness' of the venture? Is going 'natural' something that arouses your interest? You probably have experienced trying to grow a plant at least once in your life. Perhaps at your school age, you were most likely once taught on how to plant a seed in order for you to appreciate, at a rather early age, the beauty of nature, and the cooperation and collaboration that exist among different parts of the ecosystem. Getting you amazed of the entire process of photosynthesis, could have been quite easy for most kids, but turning out to be a gardening enthusiast does not happen as instantly.
