Jacqueline Walker, John Kenyon : Vireyas: A Practical Gardening Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Vireyas: A Practical Gardening Guide:

Vireyas, tropical and subtropical rhododendrons, are the least known of the genus, although they are increasing in popularity. They can be grown outdoors in warm areas with mild winters or overwintered indoors in pots in colder

climates. They offer a striking range of flower colors and intriguingly unpredictable blooming times.
