Skills Institute Press : Waists Waistbands: A Directory of Design Details and Techniques (Select-n-Stitch) before purchasing it in order to gage whether or not it would be worth my time, and all praised Waists Waistbands: A Directory of Design Details and Techniques (Select-n-Stitch):

The silhouette of a garment is often defined by the waistline. Whether it's a dress with a fitted top and body-skimming bottom or a pair of pants that sits at the natural waist and lies flat over the hips, your clothes should fit and flatter your

figure. A well-made waistband is the key to a great-fitting and comfortable garment. Whether you are looking for a casual drawstring, a comfortable elastic or a tailored seam-this book will teach home seamstresses how to create waistbands to suit a variety of garments and styles.
