Melanie Falick : Weekend Knitting: 50 Unique Projects and Ideas before purchasing it in order to gage whether or not it would be worth my time, and all praised Weekend Knitting: 50 Unique Projects and Ideas:

1 of 1 people found the following review helpful. Nice VarietyBy rose thymeOk, this is the second time I have owned this book. I want to make the Union Square Poncho, and I also purchased this book again for the finger puppet instructions! Nice selection of quick projects - gloves and mitts, hats and a couple sweaters. Kinda classic designs in their simplicity.0 of 0 people found the following review helpful. Delightful knitting book.By Jennifer Pollock, CRS, Keller Williams Downtown Denver, CO RealtyEasy to understand instructions. Great projects for making something in a short time for those of us impatient knitters who can't take on big, overwhelming projects!0 of 0 people found the following review helpful. A Favorite Knitting BookBy L. GrimmeI love this book so much for it's easy patterns that I give it often as a gift. This was a Christmas present for my physical therapist. The mitten pattern takes less than 100 yards of a bulky weight yarn and they make marvelous gifts, as well, for my family and friends who do not knit. I love to knit them in alpaca as a conversation starter.

Full-color photographs and detailed, step-by-step instructions combine to present fifty innovative knitting projects, many of which can be made in a weekend, including mittens, hats, sweaters, lap blankets, and chair cushions, along

with quotations about knitting, recipes for tasty treats, and tips on stress-reducing activities. 17,500 first printing. Crafter's Choice Main.

About the AuthorMelanie Falick is the former editor-in-chief of Interweave Knits magazine. She is the author of Knitting for Baby (STC) Kids Knitting: Projects for Kids of All Ages, and Knitting in America: Patterns, Profiles, and Stories of America's Leading Artisans (both Artisan). All three were selected by Crafter's Choice Book Club. Ericka McConnell is a successful lifestyle photographer whose work has appeared in numerous magazines, including Oprah, Martha Stewart Living, Bon Appetit, and House Garden, as well as the books Yoga Within and Cocktail Parties with a Twist (both STC).
