Oglesby : Wildflower Applique Embroidery (Love to Quilt) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wildflower Applique Embroidery (Love to Quilt):

0 of 0 people found the following review helpful. I found this book to be a good representation of what I see in nature. By Hank Zeck As a wildflower enthusiast and collector of native plants, I found this book to be a good representation of what I see in nature. 1 of 1 people found the following review helpful. very detailed. By Eileen Snow The flowers look real. The directions are easy to follow. Very thorough. I just wish it had more in it but it is a start. 1 of 1 people found the following review helpful. She did it again. By MojoMs. Oglesby has done it again. This is a book of beautiful wildflower patterns that are easy to follow. Her patterns are beautiful.

Let your garden come alive with these 14 original wildflower applique patterns. Includes a digital quilt of 12 blocks for inspiration.

About the AuthorBea Oglesby started quilting in the mid 1980s and discovered that her background in weaving and oil and watercolor painting, and flower arranging were interchangeable with quilting designs in color and form, especially in applique.
