The patterns are printed on both sides so if you are like me and retrace it didn't take too long. I made the Clarity Bag. Well when I got the book I didn't have time to go through it. We had family obligations that kept me from looking at it until this past weekend and, pages34 and 35 are blank so Luckily I kinda now what I am doing and finished it my way probably not the way Sara did but it looks pretty good. And pages 42 and 43 are also

blank. 46 and 47 Blank. I already pulled out the pattern pieces before checking everything out. So 4 out of 5 for my bad and not returning it. 4 of 4 people found the following review helpful.
