Wiresmithing offers jewelry artists a new way to make beautiful jewelry that has a modern contemporary look. As artists we're always looking for new and interesting ways to produce jewelry. We have an adventurous spirit that prompts us to take risks and test out new designs everyday. This book is dedicated to creating new designs by combining new wire wrap techniques with basic metalsmithing skills.

About the Author Jim McIntosh is an accomplished jewelry artist and author who has spent many years perfecting his art in order to write about the many processes needed to create fine jewelry.
