Better Homes and Gardens : Yard Garden Owners Manual: Your Complete Guide to the Care and Upkeep of Everything Outdoors (Better Homes Gardens) before purchasing it in order to gage whether or not it would be worth my time, and all praised Yard Garden Owners Manual: Your Complete Guide to the Care and Upkeep of Everything Outdoors (Better Homes Gardens):

1 of 1 people found the following review helpful. So much good information.By Beth WiskochiI have learned so much from this book! I have given copies to my daughters for their gardens. So much good information.1 of 1 people found the following review helpful. Yard Garden Owners Manual - Better Homes GardenBy Garry HorvathGreat book. Everyone who has a yard should own one. It covers every subject anyone would want in regards to yard and garden care. From lawns and gardens to lighting and care of decks, it covers it all. If you are a novice you will love it and it you are a true gardener, you will love it. You won't need any other gardening book once you own this one.0 of 0

By Tanya R. Autry bought for a housewarming gift. excellent choice

Fresh ideas on caring for all aspects of the outdoor areas around a home from plants and the garden to the deck, patio, and driveway. Focused on what, when, and how to care for the yard. Extension-quality information in an easy to use step-by-step format. Highlights caring for the landscape to create comfortable and low-stress outdoor living.
