9 of 9 people found the following review helpful. If you crochet, this book needs to be in your library! By CustomerI love this book! The projects have so much personality -- I was going to say "cute" here but you can already see by the cover photo that they are wonderful. Excellent photos and directions. I am so pleased to have added this book to my library. 5 of 5 people found the following review helpful. cute amigurumis to make By KatsitkoI found the instructions good on the crochet. Fairly easy to follow stitch wise. If you do use a larger hook to make a bigger toy, you may need to think about how different parts will be supported. Take a look at the photo if the head is much larger than the other parts, what would be needed to make it sit or stand well? I would recommend the Zoomigurumi books to anyone who has some basic crochet skill (or higher). 0 of 0 people found the following review helpful. Perfect for anyone who is a

proficient pattern reader  
By Jo Larson  
Easy to follow directions, tons of color pictures (no step by step pics though). I have almost completed my first project from the book, and it is turning out magnificently! It isn't meant for a really novice crocheter, but the steps are very clear for someone who has experience reading a crochet pattern. The turtle I am making from one of the patterns in the book is way larger than I anticipated from the pictures, but he will make a great love!

Just when you thought amigurumi couldn't get any cuter, along comes *Zoomigurumi 3!* This volume features a collection of 15 new amigurumi animal patterns from 12 top designers. Inside you'll find Henry the hippo, Flora the fawn, Wilbur the penguin, Nanook the husky, Puddles the duckling, Boba the giant panda, Clementine the cow, Hedley the hedgehog, Jean the fox, Cuddles the lamb, Orion the turtle, Katy and Kelvin kangaroo, Rusty the red panda, Eugenio the bird and Rudy the Reindeer. Projects cover a variety of skill levels, from beginner-friendly to those suitable for advanced crocheters, all of which are accompanied by easy-to-follow instructions and explanations of all stitches used.
